SINCE 1995 IMPACTING THE LIVES OF PEOPLE WITH THE GOSPEL OF THE LORD JESUS CHRIST

ABOUT 'Active for Jesus' Media Mission / WoomaNet Radio

Founded in 1995 by Media Missionary Rudie van Heerden, **'Active for Jesus' Media Mission** was closely involved with the development of Christian community radio stations in South Africa, but also the training and development for Swaziland Conference of Churches' Christian Media Centre in Manzini, Swaziland.

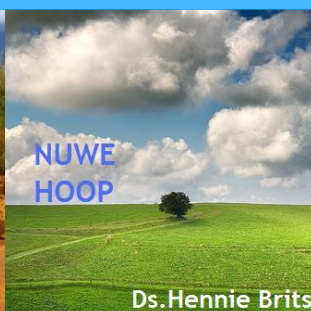

Since 2003 the ministry focus shifted towards the development, production and supply of a variety of Christian radio programmes for broadcasters locally and abroad, free of charge. This naturally developed towards the founding of **WoomaNet Radio (World Outreach Media Network Radio)**, a free Internet-based Christian radio-on-demand service, in 2004, serving Internet users in various countries across the globe.

As of 01 October 2010 WoomaNet Radio includes Spanish language programmes as part of its regular schedule, aimed at Internet users residing in *the 21 Spanish speaking countries of the world*.

On 01 June 2011 WoomaNet Radio joined forces with Church of the Nazarene's **World Mission Broadcast Africa - division**, expanding its current language spectrum (English, Afrikaans & Spanish) to also include French (*West Africa, Ivory Coast, Mali, Benin, Senegal, Madagascar, DRC Kongo, Rwanda Kigali*), Portuguese (*Angola, Mozambique*), Chichewa (*Malawi*), Amharic (*Ethiopia*), Somali (*Somalia*), Shangaan (*Mozambique*), Swahili (*East Africa, Kenya, Tanzania, Uganda*), Zulu & Tswana (*South Africa*).
